

DURABILITY AND COMFORT

STILL THE YARDSTICK FOR TRUCK SEATING

- Scissor-action suspension delivers superior weight distribution and true horizontal isolation that gives you a more stable driving platform
- Real-world proven durability and comfort with millions of road miles so you can drive with confidence
- Flexible cushion support system ..(vs a pan style support system) to reduce cushion compression so you can drive longer
- Wide range of combinations to deliver you the right seat for the right job, including HiPro, LoPro and ultra LoPro
- Our patented ParaBar II manual lumbar adjustment provides continuous fine-tuning rather than two or three fixed positions for the perfect support position that you need (Also available with air adjustable lumbar)
