

ALL-AMERICAN WORKHORSE

NEW
FEATURES &
STYLING

FOR LOCAL AND SEVERE-DUTY APPLICATIONS

- Wider and more comfortable seat upper with low-profile side bolsters for ease of entry and exit
- Scissor-action suspension provides a more stable driving platform and features a new 6" ride zone on HiPro seats
- ParaBar II® lumbar with continuous adjustment supports both sides of your back, giving you more comfort than other manual lumbar options
- Flexible cushion support system reduces pressure points for added comfort (vs. a pressed metal seat pan)
- **NEW** Optional dual damper for rougher terrain or heavier drivers
- **NEW** Optional self-contained compressor for medium-duty trucks that do not have an on-board air compressor
